LUTHERANS

THE LUTHERAN CAMPUS MINISTRY
AT DUKE UNIVERSITY

**This isn't goodbye
It is Godspeed and farewell
Run into the Light
And in His thankfulness dwell**

**Don't run from the night
Reach out for the stars
And when out of sight
Recall who you are
The journey is long
Keep courage, fight on
Into the breaking of dawn**

**This isn't goodbye
It is Godspeed and farewell
Run into the Light
And in His thankfulness dwell**

**Give thanks for the past
Forgive all the wrong
Embrace all the last
Your life is a song
So sing out your cries
Find hope in the tears
Seek truth despite fear**

**This isn't goodbye
It is Godspeed and farewell
Run into the Light
And in His thankfulness dwell**

**This isn't goodbye
It is Godspeed and farewell
The morning shall come
As blessing shine in the Son**

**Give thanks for this time
As you grow into Life
This isn't goodbye
It is Godspeed and farewell**
